

Wyoming Valley Dog Owner Group Sponsorship Form

Wilkes-Barre City Dog Park at Hollenback Park

Many improvements are needed to make the location at Hollenback Park into a dog park. To finance these improvements the city of Wilkes-Barre has allowed us to offer a great sponsorship program.

The Wyoming Valley Dog Owners Group is offering a limited amount of sections on the existing fence at Hollenback Park for advertising opportunities. Hollenback Park is located in a highly visible location next to Hollenback Golf Course at 1050 North Washington Street in Wilkes-Barre, just off the Cross Valley Expressway.

The cost to become a sponsor is \$250 the first year and a renewal fee of \$100 each additional year. This fee will include a 2'x2' sign that will display all your company's vital information. All money raised from these sponsorship signs will be spent on improvements for the dog park. This is a great deal on advertising for a full year, advertising that will be viewed by many individuals each day.
